## ACEFULL WINS ON THE BIT.

CAPTURES THE RICH JUNIOR CHAMPION STAKES EASILY.

#### Hermis Victorious in First Special, in Which Articulate Beats Gunfire for the Place and Blues Quits-Opening Day at Gravesend Draws a Big Crowd.

The Brooklyn Jockey Club's fall meeting opened at Gravesend yesterday afternoon with a fine card. This, with the magnificent weather drew a crowd of 15,000 lovers of the racehorse to the track, which never looked

to a better advantage.

The Junior Champion Stakes for two-year-Cochran eased Acefull to a walk at the wire, where he won by four lengths in 1.00 2-5. a new record for the race. The Keenas 'Clarien was second to Acefull clear up to the last fifty yards where Lord of the Vale and Bine Ribbon caught and passed him, Mr. Belmont's coit taking the place by a length and a half and capt. Brown's youngster beating Clarion by a length

The First Special for three-year-olds and upward, weight for age, at a mile and a quarter, was another interesting affair, chiefly because, as far as the betting was concerned, the proportion of the proportion

ter, was another interesting affair, casely because, as far as the betting was concerned, there was no pronounced favorite.

When Starter Pettingill sent them away. Hermis led the bunch down past the stond, with Blues second and Gurfre third. But at the first turn Blues, with Martin ap, well to the front and rushed along the backstretch at top speed. Odom, lowever, rated Hermis neatly in second place. I hus quit and in a great drive to the wire Hermis, handled by Odom in expert fashion, drew away and won by a length and a half. Gunfire was beaten out of the place in the last few strides by Articulate, well ridden by Lyne, who oldred by January and the place in the last few strides by Articulate, well ridden by Lyne, who disished just a length before Mr. Whitney willy, the latter beating old Advance Guard by a short head. The time, 2:061-5, was a new record for the race.

The winner of the first event, a highweight handicap for all ages at about six furlongs, turned up in Alexander Shields's Yours Henry, who receded to 7 to 1 and who led all the way. He had a length over A Featherstone's Arsenal, the latter beating The Black Scott, 40 to 1, by a head, Bluff and Honoluiu both being close up.

The handicap steeplechase at about two miles and a half was a galloping victory for G Deimel's Glengar, 8 to 1, who made all of the running and had three lengths to spare over the favorite, Addidaumo. The time, 451 2-5, was only two-fifths of a second behind the track record.

John W Schorr's Eva Russell, 7 to 1, won the fifth race, for two-year-olds at five and a half furlongs. Right and True, 10 to 1, set the pace to the middle of the stretch, where Eva overhauled him and won by a length and a half. #### ATHLETES IN SESSION.

Peaceful Election of Metropolitan Asso-

clation-To Ask for Public Track. The annual meeting of the Metropolitan Association of the A. A. U. was held at the Astor House last night. There was a representative gathering of the local athletic lawmakers and the work of the organization for the fiscal year was thoroughly investi-gated. From reports of the different officials and committees it appears that the asso-ciation is in a flourishing condition. The secretary-treasurer's report showed that at

ciation is in a flourishing condition. The secretary-treasurer's report showed that at the present the exchequer contained a balance of \$937.97.

The first business was the report of the Registration Committee, including the recent suspension of Jerry Pierce, the Seneca Indian. Immediately likere was a wordy duel between Bartow's Weeks, championing the Metropoiltan Association, and A. J. Murburg, who took up the cudget for the Pa-time A. C. After some sharp exchanges the Weeks side won out, and the action of the Registration Committee was sustained and Pierce cannot run as an amateur for six months dating from Sept. 6 list.

The case of the Shamrock Harrier cross-country run last November, which was raided by capt. Titus, was next taken up. It was finally decided that T Donovan, who crossed the line, should receive first prize and the novice prize also. To decide the ownership of the remaining prizes, the secretary was instructed to notify the Shamrock Harriers to run the race over again.

According to a rule introduced some time ago to the effect that the official handicapper should be elected in the open convention, that from was therefore disposed of. Thomas F. O'Brien, the present incumbent, was noninated by John Stell and seconded by A. Murburg. There being no other candidate, he was elected unanimously. This was a noticeable feature of the convention, and means that oil has been thrown on the troubled waters. Opposition to the ruling body and all cliques are to all appearances things of the past.

and all cliques are to all appearances things of the past Under the head of new business a project was introduced by F. W. Rubien to petition the Park Department for a quarter-mile maning track at Macomb's Dam Park. The proposed site of the track is south of telst street, between the Viaduct and Cromwell's creek. The voice of the meeting was with Rubien's innovation and the following resolution was unanimously adopted:

That a committee of six be appointed by the president to present the public track and field petition and coperate with Park Cominassioner Eustis and the municipal authorities.

Considerable time was exhausted over the election of the board of managers. Twenty-seven bullots were cast and the first fitteen men with their votes polled were as tollows:

#### MADDENON THE RIVAL'S RACES

SAYS THE RUNNING OF HIS HORSE WAS NOT IN AND OUT.

And Also Gets a Statement From "Pat" McCarren to the Effect That the Senator Backed the Colt on His Own Hook Gorman Loses Another Horse Gossip

John E. Madden is considerably exercised over the criticism that has been levelled at him for the alleged in and out running of The Rival, and particularly for the performance of this coit when he won the Russet Handicap at Sheepshead Bay last Friday. It was charged by many persons who saw that race that The Rival showed a change in form which was singularly coincident with the fact that he was heavily backed in the ring, his price being lowered from sixes to The additional fact that he rau a mile and a half in the Russet and came within a fraction of a second of the best time on record for the distance at Sheepshead, when in a previous race he had no speed at all. caused so much adverse comment and such a grumbling in the ring that Madden felt justified yesterday in declaring first that The Rival was not guitty of in-and-out running for the reason that while he was beaten at a mile and a quarter by Articulate in the race Articulate with increased weight was leading The Rival at the same distance, though the latter won in the next quarter of a mile, a different proposition. Madden felt justified also in declaring that he only bet \$200 on The Rival and was, therefore, not responsible for the great plunge in the ring. To substantiate this Madden, learning that Senator Patrick H. McCarren had won about \$10,000 on The Rival on Friday, went to the noted Brooklyn politician yesterday and asked him if the report was true. The Senator said that it was, whereupon Madden asked him if he was, whereupon Madden asked him it he would make a written statement to the public to that effect. Again the Senator answered in the affirmative, so the following document, drawn up by a newspaper man at Madden's request, was later signed by McCarren:

request, was later signed by McCarren.

To the Public: With regard to the race won by The Rival on Sept. 11, in which much money was said to be won by friends of the owner, I would beg to say that on my own judgment and without any prompter from the owner, I bet upon and won a large sum of money on The Rival, all for myself. I believed he was meeting in Articulate a horse who, at the weights and distance, could not win. In no way did the owner of the Rival benefit by my wager.

P. H. McCarmen, how Western turfman, lost

benefit by my wager.

P. H. McCarrier.

P. J. Gorman, the Western turfman, lost another horse yesterday. When sim Clark, owned by him, won the last race, in which he was entered to be sold for \$2,000, C. J. Kelly, acting for 8, 8. Brown, raised the figures to \$2,500 on the first bid. Then Richard hane brought the matter to a decisive point with a bid of \$4,000, at which Gorman let the istrathmore gelding go with the remark.

Well, I've not another horse.

After Accfull had won the Junior Champion. Trainer Madden sent a cabiegram to the colt's owners, Harry Payne Whittey and Herman B. Duryea, which read something like this.

like this. "Acefull wins easily. Shame to take the "Acefull wins easily. Shame to take the money."

Acefull will be sent to England early this fall as he is chirible for next year's Derby. Many turfinen believe that he is easily the best two-year-old cost of the year. His race yesterday clearly showed that he could have beaten his stablemate. Irish Lad. In the Flatbush Stakes if he had been ridden out. the American League. Two important conferences of the magnates of the National League of baseball clubs were held at the League's headquarters, in the St. James Building, Broadway and Twenty-sixth street, yesterday, one in the afternoon and the other in the evening. When an adjournment was taken at 11 o'clock last night it was announced that no definite action had been taken, and that the confer-

While none of the details of the conference were made public by the wise men of the national game, it is an open secret that the baseball situation with regard to the American League and its proposed invasion of New York was the principal cause of yesterday's gathering.

John T. Brush, chairman of the League's Executive Committee, presided over the meeting. There were also present A. J. Reach and Col. John I. Rogers of Philadelphia, Fred Knowies of New York, A. H. Seden of Boston, Harry Von der Horst and Charles Ebbets of Brooklyn, Harry Pulliam of Pittsburg and Max Fleischmann of Cincinnati. Neither James Hart of Chicago nor F. De Haas Robison of St. Lows were present.

It was practically admitted by one of the magnates last night that the Executive Committee had submitted two or three plans of action against the American League and had asked the League to select one, and then empower the Executive Committee to carry it out to the end. That the American League situation has become critical is openly admitted.

When seen after the meeting John T. Brush said: "This is the first time we have gotten together since spring and we met to discuss the situation senerally. There are several internal questions within the League that must be gone over and thrashed out. Incidentally, this opportunity affords a chance for the old magnates to become acquainted with the new Cincinnati owners.

"It is the principal object of the conference to get a unit of expression as to the situation, this expression to govern the future action of the Executive Committee. No definite action has yet been taken. There may be something before we leave."

Brush seld that no action would be taken the present conference toward the selection at the present conference toward the selection. basebull situation with regard to the American League and its proposed invasion of

The New Yorks have done some pretty poor playing lately, but none so bad as in their game against the Brooklyns yesterday. The result was an easy victory for the visitors. FORT ERIE, Sept. 15 .- Tommy Ryan was successful in defending the middleweight championship against the aggressive Kid Carter of Brooklyn in their 20-round contest in the arena of the International A. C. here to-night. He knocked Carter completely out with a long right-hand swing after two minutes and forty-five seconds of whirlwind fighting in the sixth round. More than five thousand men cheered

for both fighters as Carter was lifted from he floor by Ryan and Referee Siler after he received the punch that lost for him his chance of becoming the middleweight champion. Carter was out for about thirty secnds after he got the knockout punch. ix rounds Carter and Ryan fought a grand battle. #### To Play on New York American League Team.

Six of the best players who helped win the championship for the Pittsburg team will be members of the American League team to be put in New York next season. A re-port to this effect, said to be on good au-thority, was sent out from St. Louis yester-day. According to this report, the six men day. According to this report, the six men already have signed two-year contracts to play on the New York American League team, the players being Tannehill and Chesbro, pitchers: Smith and O'Connot, catchers: Davis, right nelder: Conroy, shortstop, and Leach, third baseman. The players all signed several weeks ago and have received advance money. The report also has it that they will receive stiff salaries for their work. Not one is to get less than \$9,500 for the two years and one pitcher is to get \$14,000 and the other \$12,500. Only a few days ago Barney Dreyfuss, the Pittsburg magnate, said Chesbro wanted \$17,500 to sign for the next two years in Pittsburg, so it is inferred that Chesbro is the man who is to get the \$11,000 or the munificent salary of \$1,000 a year. That these six men would make the nucleus for a strong team, nobody will deny
